

A multi-tiered cake is the central focus, decorated with a dense arrangement of macarons in shades of pink and beige. The cake is wrapped in white ribbons that cascade down its side. The base of the cake is decorated with white frosting piped in a scalloped pattern. The cake sits on a white marble surface, with several macarons scattered around its base. The lighting is soft and natural, highlighting the textures of the frosting and the smooth surfaces of the macarons.

Ladurée, expert in providing Luxury macarons and table favours

The story of the Ladurée macaron starts in the middle of the 20th century with Pierre Desfontaines, who had the idea of sticking two macaron shells together and filling them with a delicious ganache.

Since then, the recipe remains unchanged.
